## 1. From Incheon Airport to Daejeon

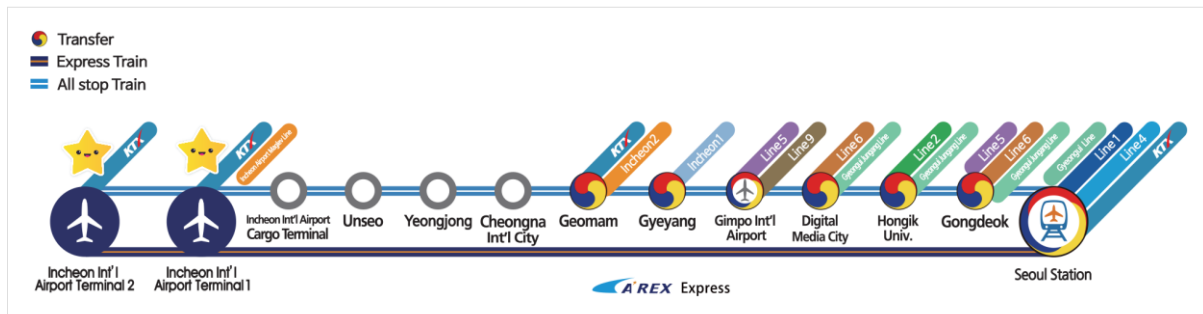

### 1-1. By train (KTX)

: Incheon Int'l Airport → Seoul (Train) Station → Daejeon (Train) Station

- From the airport to Seoul Station

Incheon international airport opened a new terminal at Jan. 18, 2018. Depending on your flight airline, you may arrive at Terminal 1 (T1) or Terminal 2 (T2). It takes roughly 20 minutes between the two terminals by a free shuttle bus.

You can go to the Seoul station from Incheon airport by AREX (Airport Express Train). There are non-stop trains and regular (or all-stop) trains. Regular trains take ~15 minutes longer to come to Seoul station. Non-stop might be preferred. From T1 (T2) to Seoul station, it takes 59 (66) minutes via regular trains, and 43 (51) minutes via non-stop trains. For details, including the operation schedule, please visit: <http://www.arex.or.kr>

- From Seoul Station to Daejeon station

It takes **~one hour** by KTX (fast train). Friday is the busiest day (especially afternoon and evening), and it is usually difficult to get a ticket unless you buy a ticket a few days in advance. Sunday is also a bit busy day. (Non-stop KTX trains between Incheon airport and Daejeon are no longer available since September 1<sup>st</sup>, 2018.)

**Please print the following and show at the ticket counter.**

The airport bus to Daejeon runs every 10 ~ 30 minutes. From the airport to Daejeon, it takes roughly 2 hours and 30 minutes, or less with no traffic. For details, please visit: <https://www.airport.kr/ap/en/tpt/busRouteList.do>. You may first choose the area menu “Choong-chung” and then choose the city “Daejeon.” The bus stop in Terminal 1 is on the 1st Floor, and the stop for Daejeon is **No.11**, just in front of the arrival terminal. In Terminal 2, the bus stop for Daejeon is **No.5** located in the (Public Bus) Transportation Center in Basement 1. The bus ticket costs ~ 24,000 Won.

Route information

The bus from the airport stops first at “Daedeok Culture Center” located at DoRyongDong (도룡동), then near the “**Government Complex Building**” before finally arriving at the “Daejeon Express Bus Terminal”. There can be a short break in a highway resting area before getting to Daejeon. **Note that right after the toll gate of the highway, the bus stops briefly, but this stop is not an official one. So do not count this stop as the first stop.**

In summary: brief (informal) stop right after the toll gate --- Do Ryong --- **Daejeon Government Complex Building** --- Daejeon Express Bus Terminal

Please get off at the second stop “**Daejeon Government Complex Building**” (in Korean, 대전정부청사) which is the convenient stop to take a taxi. **Be aware that there is another airport bus with the destination “Daejeon and Sejong”, 대전(세종).** This bus also comes to Daejeon Government Complex Building, but it will take more time. It is not recommended to take this bus since it is a bit confusing. **Please don’t take the airport bus to “Daejeon and Sejong”, 대전 (세종).** The bus tickets can be purchased at kiosks inside the terminal.
