

CENuM-RULiC Joint Workshop on Extreme Nuclear States and Reactions

Friday, 1 November 2019

Session 6 (Chair: Jin Hee Yoon) (11:10 - 12:40)

time	[id] title	presenter
11:10	[17] Measuring compound nucleus reaction using solenoid-based detector system	
11:40	[18] Sensitivity of r-process nucleosynthesis to the light mass nuclear reactions	
12:10	[19] Direct measurement of the key $^{19}\text{F}(p,\alpha)^{16}\text{O}$ reaction in AGB star
