

The XXIII Annual Workshop on Soft-Collinear Effective Theory

Monday, 2 March 2026

Event shape and jet substructure resummation - Room 1503, 5th Floor, Building 1 (16:30 - 17:30)

time	[id] title	presenter
16:30	[20] Resumming transverse observables for NNLO+PS matching in GENEVA	VON KUK, Rebecca
17:00	[25] Event shapes at hadron colliders with ARES and CAESAR	REICHELDT, Daniel

Wednesday, 4 March 2026

Event shape and jet substructure resummation - Room 1503, 5th Floor, Building 1 (15:50 - 17:15)

time	[id] title	presenter
15:50	[46] Centauric Event Shapes in DIS	LEE, Christopher
16:15	[16] Resummation of Flattened Jet Angularity	CHIEN, Yang-Ting
16:40	[35] Resummed Radiation of Light BSM States in Parton Showers and Novel Jet Signatures	LEE, Joon-Bin
