

Korea-China joint workshop for rare isotope physics

Thursday, 10 July 2025

Section 11: EOS and symmetry energy 1 (09:00 - 10:25)

time	[id] title	presenter
09:00	[32] Preequilibrium cluster emission and systematics on the formation cross sections of superheavy nuclei	WANG, Zi-Han
09:20	[31] Nuclear cluster and hypernucleus production in intermediate heavy-ion collisions	FENG, Zhao-Qing
09:45	[33] Probing neutron-skin thickness via the antiproton and pion induced reactions	ZHANG, Ban
10:05	[34] Experiment and ImQMD model comparision using 129,124Xe+124,112Sn @ 100 AMeV collisions	NAM, Seonho
